

31st ANNUAL PIGSKIN CLASSIC

23 – 24

FOOTBALL POOL INSTRUCTIONS

1. The cost is \$50 per pool. You can play as many pools as you want. If you play more than 1 pool you have to put your name and a number (ex: John Doe 1, John Doe 2), or come up with a different name.
2. Put your name on “**EVERY**” page in the space provided and your contacts name on the front page so I can get any winnings you might have to you. **Please print clearly or type your information on the first page, as it is very difficult to read many of the names, numbers and e-mails.** Updates will be available on the Internet at www.pigskinclassic.net. Results will be posted by the Wednesday following the Monday night game unless I am out of town and then they will be posted when I return. If you do not have access to the Internet, you will need to get the updates from your contact.
3. Depending on which team you want to WIN, Place an “X” in the “V” column for the visiting team or in the “H” column for the home team. You get 1 point for every correct selection. Games that tie are a loss to everyone. The one with the total most points wins. You will be picking the entire regular season, **except for the first Thursday game.** This will allow some players who can't get their pools to me prior to that Thursday to get in. The postseason is listed for your information only. Be sure to mark every game. **PLEASE CHECK YOUR POOL BEFORE TURNING IT IN.** Every year several people do not mark all the games. An unmarked game will result in a loss for that game. Mark your picks clearly; if it is unreadable or unclear which team you picked it will result in a loss for that game. It is your responsibility to check your pool. **I will not be inputting or reviewing ANY pools until the season starts.** Once the season begins, I cannot add a missed pick or change any picks, regardless of when you handed it in, unless I made an error entering them.
4. **Make a copy of your pool** and give the **ORIGINAL** to your contact.
5. All pools **MUST** be turned in by **Saturday, September 9, 2023.**

The following places will be winners:

1st place - 5th place

Monday – 1st place (ties will be split)

Ties will be split among all the people who tie (ex: if 2 people tie for 2nd place, they will split 2nd & 3rd place winnings combined. If 3 people tie, they will split 2nd, 3rd, & 4th place winnings combined). If you have any questions regarding this, get in touch with your contact person.

Winnings will be given out approximately 1 week after the regular season. This will give everyone time to review their pools and check for any errors. If no errors are reported within 1 week, the winnings will be distributed, and no further corrections will be accepted. The end of the season is when the last game is played, in the event the season is ended early. The standings at that time will be considered final. **Once the winnings are given to your contact you are considered paid and it is your responsibility to collect it from them.**
